Introduction

Hyperlink **text** in your form with the click of a button!

> **Note:** Hyperlinks within field labels and field options/choices open in the same tab, not in a separate tab.

Each link that you create is set to open in a new window or tab by default.

Steps

To hyperlink text in a form field:

1. Select the text that you wish to hyperlink.

2. Click the **Link** button.

3. Type or paste in the URL for the webpage that you would like your link to lead to.

4. Click Ok
